We'll continue to learn our numbers, both verbally and written. We will be counting with musical song and dance. This week we'll focus on number 6. We'll complete fall leaf sorting, sequencing, patterning, and number to object correspondence activities during center time.

The month of October will be spent on AABB patterns.

Please work with your Kindergartener on numbers 0-10. Count out loud, count objects, and manipulate numbers with simple addition problems.
