Please review numbers 0-10 with your kindergartener. We will be assessing each of them this week for report cards!

This week we'll focus on

number 12. We'll count and sequence turkeys, create patterns and continue working in small problem solving groups.

The month of November will be spent on ABC patterns. Please work with your Kindergartener on numbers 0-10. Count out loud, count objects, and manipulate numbers with simple addition and subtraction problems.
